In making the division between the retained share and the tribal share, the Board of Directors shall consult extensively with the Tribal Legislature and shall be guided by industry standards.
- iv) The Tribal Legislature shall then determine whether the tribal share shall be utilized for tribal operations, distributed to tribal members, or divided and used for both purposes. In making its determination as to the distribution of the tribal share, the Tribal Legislature shall use its best judgment and shall carefully consider both the need for effective tribal operations and the individual financial needs of tribal members.
